Dear Parent/Carer

### Form Group F-DFR

I am writing to say that I will not be your child's form tutor from September 2022 because I will be taking over the Senior Tutor role in Seacole House.

I have told all my tutees today but would like parents/carers to be aware too.

We don't yet know who my replacement is, as these details are still being finalised in readiness for the new school year. However, please be assured that there will be a full 'hand-over' of information with the new form tutor.

Yours faithfully

David Fricker  
Teacher of Science
