

4th July 2022

Dear Parent/Carer

Parent Survey

As we head into the final weeks of the academic year our thoughts are already focused on the start of the next academic year. Staff have been recruited; timetables are being written and we are finalising our college development plan which sets out our strategy to improve further over the next 12 months.

This strategic document must include parental input into the strengths and areas for development for the college. As a result, we have prepared a parent survey using the same questions that OFSTED use as part of their pre inspection research. This will enable us to compare your feedback with similar schools across the country and build a development plan that benefits all those committed to the success of Ely College and Bishop Laney Sixth Form.

The survey will take less than ten minutes and will be open from the date and time you receive this letter until noon on Friday 15th July 2022. We will provide a summary of the findings of the survey in the first parent forum of the new academic year.

You can access the survey at this link: <https://forms.office.com/r/P1gJjAySm7>

We would be very grateful if you could complete this survey, it is anonymous and all responses will be treated in confidence.

Yours faithfully

Simon Warburton
Principal
