

20th January 2023

Dear Parent/Carer

Ely College Apprenticeship Fair - 9th February 2023

We are delighted to announce the Ely College Apprenticeship Fair, taking place on 9th February 2023, which is open to Year 9 and 10 students, plus some Year 11s and Bishop Laney Sixth Formers. At the end of the school day, this event will open to the public and other local schools from 3.00pm to 5.30pm.

Ely College and Bishop Laney students do not need to book, but all external visitors will need to book via Eventbrite – please see poster attached with further details.

We aim to give our students the best opportunities so they can plan their future career path - what better way than to start with meeting local employers and local industry leaders to see what they have to offer. Why not match their skills and passion with possible future jobs.

The Apprenticeship Fair is running alongside National Apprenticeship Week: 6th to 12th February 2023 and we hope to highlight the amazing opportunities to be had in around our local community. We want students to start thinking about the viable career options open to them. It's also an opportunity to network, meet potential employers, and other likeminded professionals.

Hope to see you soon.

Yours faithfully

L. Lambo-Hills
