

7th February 2023

Dear Parent/Carer

Year 11 Mock Exams

Commencing Monday 27th February 2023, Year 11 will be taking mock examinations in their subjects to prepare them for the final examinations in the Summer. The mock exams give students an opportunity to experience whole papers under exam conditions. They also provide teachers, and students, with information to target revision for the final exams in the Summer. The mock exam timetable below outlines when the mock exams are taking place for each subject, the room, and the equipment required.

To ensure students are fully prepared it is essential they carefully plan and complete revision for their subjects. Staff have recorded a series of revision guidance videos on how best to approach revision for their subject and the recommended resources you should use. The videos are available on the Ely College YouTube channel which can be accessed through this link: [GCSE Revision Videos](#)

We recognise that examinations – including mock exams – can be an anxious time for some students. If you feel your child is struggling, please do contact their form tutor, House Office or me directly. If you have any queries regarding the mock exams, please do get in touch.

Yours faithfully

Rachael Mustill
Assistant Principal
