Dear Parent/Carer

The Salon Skills Showcase

With the Showcase now only a few days away, I would like to give an update to help prepare students for the day.

- Year 11 will be in the hair and beauty department all day. Their assessment will take three hours to complete, an hour for hair, make-up and nails, some will start at 9.00am with a break at 12.30pm. Those who are bringing in models will need them to arrive in time to start at 1.00pm.

- Year 9 and 10 will be in the Hair and Beauty department from 11.25am with their models.

- Years 12 and 13 will also be in the salons to complete hair and make-up assessments and support Years 9 and 10 with overall looks.

Rehearsals for the show
Walk throughs will take place in some lessons this week and next where appropriate, with the final rehearsal and dress rehearsal taking place on the day of the show, from 2.30pm.

Student requirements
Students should bring in food and drink to sustain them throughout the day, if your child receives free school meals, please notify me and I will organise for food to be available. Some students have asked if they can bring in their own resources. There is no problem with any accessories or items that will contribute to the overall results for the theme. Students will need to remain in school uniform until 3.00pm unless a model for the show. One further requirement is that all students will be required to stay in college until the end of the show, for the grand finale.

Additional Information
Just a reminder that there will be a raffle, access to a bar, refreshments and a professional photographer throughout the evening.

We are incredibly excited and look forward to welcoming you to our first Showcase debuting our students' amazing skills, involving all Hair and Beauty students.

If you have any further questions, please do not hesitate to contact me: JConstable@elycollege.co.uk

Yours faithfully
