

10<sup>th</sup> May 2023

Dear Parents/Carers

### **Yrs 7-11 Netball and Football Tournaments**

For part of our Sixth Form Business Studies Diploma, we have to plan and organise an event.

On 18<sup>th</sup> May 2023 at 3.15-4.30pm there will be a netball and football tournament to raise money for the Malcolm Whales Foundation. We are encouraging all year groups (7-11) to participate in this event, whether they are playing or cheering on their teams, to raise as much money as possible!

At this event there will be refreshments/snacks available as well as prizes for the winning team.

We would appreciate any donations. There will be donation buckets for cash on the day as well as a WisePay tab open for online donations.

We hope to see as many students there as possible and have a fun evening raising money for the Malcolm Whales Foundation.

Your faithfully

Year 12 Business Studies Students
