

16th May 2023

Dear Parent/Carer

Year 11 Prom

Thank you to all parents/carers that sent a 'good luck' message into the House office for their child - there were lots of smiles and a few tears at yesterday's assembly!

Prom tickets go on sale today via WisePay. The cost is £16 and includes a drink on arrival. The prom takes place at The Maltings on Friday 23rd June 2023 with arrivals from 7pm. Last entry is at 8pm, Prom awards will be announced at 9.45pm and the evening finishes at 11pm. Ely College has a fabulous history of celebrating in style on Prom night and we look forward to seeing lots of Year 11 at this occasion. Conduct in college has been superb. We expect this to continue, but should it not, we will be unable to allow your child entry to the Prom. Should your child not meet behaviour expectations on the evening of the Prom, you will be called and expected to collect your child. The deadline for buying tickets is 21st June to allow us to make final arrangements.

Please can I take this opportunity to remind you that students are officially on roll until 30th June, although not required to attend regular lessons after Friday 9th June (other than when exams or master classes are scheduled). In addition, the awarding bodies have designated Wednesday 28th June as a contingency day - this means that should an exam have to be rescheduled due to disruption or unforeseen circumstances, it will occur on this day. A reminder that Results Day is Thursday 24th August and students can collect their results from 9.30am. Should they not be collected in person, they will be posted home. Alternatively, a student can give signed permission to someone else for the results to be collected.

Should you have any questions then please do get in touch.

Yours faithfully

Rachael Mustill

Assistant Principal
