Dear Parent/Carer

Suffolk Careers, Apprenticeship and UCAS Fair

We have been offered the opportunity to take Sixth Form students to a careers, apprenticeship and UCAS Fair at University of Suffolk Tuesday 13th June 2023. We have reserved places for all our Level 3 and A Level year 12 students and have arranged two coaches as transportation. No timetabled lessons will run on Tuesday 13th June.

Key Information

- Departing college at 9.15am and returning at 2.00pm.
- This fair gives students the opportunity to gain a greater and deeper understanding of the different pathways open to them following their 6th Form education. Throughout the day, there are seminars on a variety of topics, such as personal statement writing, student financing for University, which students can attend. A wide number of stands from universities across the country and apprenticeship providers are available to talk to.
- Students to be at college for 9am to be registered.
- Students will need to bring packed lunch and drinks.

This is a great opportunity for your son/daughter to gain a better understanding of the pathways available to help them make informed decisions about their future. Students will leave with resources to support them in their applications and the opportunities available.
