

8<sup>th</sup> June 2023

Dear Parent/Carer and Student

## Year 10 Mocks – 23<sup>rd</sup> to 29<sup>th</sup> June 2023

Please find below the Year 10 Mock Exam timetable. Curriculum leaders and teachers will support students by indicating topics suitable as a focus of revision activities. As a starting point, students should expect papers to draw on any material covered in the GCSE or Level 2 course up to the point of the exam.

Mock Exams will take place in the following subjects, according to the timetable below. Please could I ask that you take a moment to discuss the timetable with your child.

### Core Subjects

English Language  
English Literature  
Maths  
Biology  
Chemistry  
Physics

### Option Subjects

Business	History
Catering	Media Studies
Computer Science	Music
Engineering	Physical Education
French	Product Design
Geography	Spanish

On Monday next week, Year 10 students will attend a special assembly where the mock examination process will be explained to them in more detail. In order to avoid exam clashes students will take the exam in the time allocated to the option block in which they study the subject; e.g. a student studying Spanish in Option Block A will take their exam in the Option A session on Friday afternoon, whereas a student studying Spanish in Option Block C will take the exam on Monday afternoon.

Each student will shortly be issued with a personalised exam timetable which will indicate the timing of their specific exams in each option subject. In case of any queries, please contact your child's House office in the first instance.

Yours faithfully

Adam Steels  
Vice Principal

# Year 10 Exams

## June 2023

Sports Hall and Adelaide Block

	Morning Session Arrive 8:45am Start: 9:00am		Afternoon Session Arrive 12:45pm Start: 1:00pm
