

27th June 2023

Dear Parent/Carer

What a pleasure it was to spend Friday night with Year 11. We sold a record number of tickets and the dance floor remained busy throughout the night. Both The Maltings staff and the photographers confirmed what we already knew, Year 11 are an amazing group of students! If you would like to view the photos from the night, please make an account at: <https://www.shaunscottphotography.co.uk/galleries/clients/ely-prom-2023/> and use password Ely23

A reminder that Results Day is Thursday 24th August. Students can collect their results from 9.30am. Should they not be collected in person, they will be posted home. Alternatively, a student can give signed permission to someone else for the results to be collected.

I would also like to give you advance notice of GCSE Certificate Evening which will take place on Monday 4th December at 6pm. It is a lovely opportunity to meet up as well as receive all certificates. More information will follow in the Autumn term but I wanted to make you aware of the date.

Yours faithfully

Rachael Mustill

Assistant Principal
