

WELCOME

FROM YOUR SCHOOL'S
CATERING PROVIDER

Taylor Shaw is the school caterer of choice for thousands of secondary school students across the UK.

We believe lunch is an integral part of the school day. When students sit down with friends, they cement relationships, enhance social skills, and replenish both their body and mind.

Our menus are exciting, nutritious, and appealing, served in a supportive environment designed to educate students about how they can make healthy choices to support their wellbeing and improve their ability to focus.

We regularly introduce new concepts and dishes with strong street food influences that are familiar to students, from Global Flavours featuring amazing cuisines from around the world to Purple Pepper, our vegetarian and vegan inspired range.

Allergen Management

At Taylor Shaw, all our colleagues are trained and up to date with allergen procedures and will provide accurate allergen information to your child.

We ask that your child speaks to our team if they want to know about specific allergens.

Healthy Eating Promotion

Good nutrition choices are vital to students' health, academic achievement, and wider performance at school. Our Healthy Swaps campaign encourages the uptake of healthier items by providing suggestions for more nutritious options that are readily available.

An update from your chef

Well what a quick year that has been!

We have seen a whole host of new faces using the catering service this year and hope to see more in September.

Theme days have gone down a storm, from Jack and the Giant Beanstalk at Christmas to the Best of British Coronation and Summer picnic days.

We will keep up these great days to get students trying a whole range of new foods not on the day to day menus.

Donna and Clare over in Needhams hall will miss the leaving year 11s, who have been amazing this year, but they are looking forward to welcoming the new year 10s over there. Pop over and see them and try out our new Pasta Bar we are offering from September!

We hope everyone has a great summer

We are looking forward seeing everyone back after the holidays.

Tariff amendment

As you will be aware the cost of food continues to rise. We as a company have worked with our suppliers to enable us to keep prices as low as possible over the last few months to a year.

We do however find ourselves in the situation where we are forced to make some amendments to the current tariff starting from September 2023.

The new September Tariff will be available on the schools website.

For those new year 7's who may not be aware, the main food menus will also be on the schools website, but please do pop over and see which daily treats we also have on offer.

New £2.45 allocation for Free school meals from September.

Eating a School Lunch is Better for Your Child

5 reasons school lunches are better:

- ✓ Save time & money
- ✓ Nutritionally better than a packed lunch
- ✓ Promotes a varied diet & encourages new tastes
- ✓ Inclusivity, dining with friends
- ✓ Help academic attainment by being linked to improved concentration

Only 1% of packed lunches meet the nutritional standards that currently apply to school food.

Choosing a school meal could save you £11.70 per week.

AVERAGE SCHOOL MEAL COST £2.23

AVERAGE PACKED LUNCH COST £4.57

A recent price comparison survey from School Health UK compared the cost of ingredients needed to provide a packed lunch from Asda, Tesco, Aldi, and Sainsbury's.

With retail food prices continuing to increase the comparisons showed packed lunches are 105% more expensive than school dinners.
