4th September 2023

Dear Parent/Carer

We have reviewed the forecast for the week ahead and it would seem that the British weather is celebrating the return of students to schools with a further flourish of warm temperatures!

Therefore, for this week only, we will not be enforcing the wearing of blazers. All other elements of the college uniform should be worn as set out on the website, this includes the option for students to wear tailored shorts which are permitted throughout the year. As we set out in the summer, if students feel that it is too warm to wear the blazer then they should not wear the black jumper instead.

We will review the forecast for the week beginning 11th September at the end of this week however, as things stand at the moment, it is likely that we will ask for blazers to be worn from Monday 11th September.

Yours faithfully

Simon Warburton
