Dear Parent/Carer

Science Revision Guides – Yrs 9, 10 and 11

We would like to offer you the opportunity to purchase the CGP revision guides at a much reduced rate (almost 50% off retail). The revision guides cover all of the GCSE content and students have found them very useful when preparing for their tests and exams.

As all students will be working towards the separate science they will need one for each of the subjects. Each revision guide is £3.15 (all three are £9.45).

If your child is eligible for pupil premium grant support, then school will provide the revision guides and there is no need for you to do anything.

If you would like to purchase any science revision guides, please logon and pay via WisePay.

Once we've received the order, students will need to go to SC01 before school or during tutor time to collect their guides.

Yours faithfully

A handwritten signature in blue ink that reads 'S Manning'.
