Our standards and expectations **have not changed** in terms of the style of trousers, length of skirt and the style of formal shoe that are required. The length of skirt is knee length, tailored or a convention in fit, this has always been our uniform policy.

Uniform continues to play an important role in raising the level of standards, professionalism that is expected from all, and we appreciate the continued support of parents and carers in these matters.

With a view to ensuring our uniform policy is fit for purpose and suits the needs and care of our students, Senior Leadership have reviewed the Winter uniform guidelines and would like to make the following 'Winter only' alterations.

In addition to all season plain black shoes, the Ely College uniform policy allows 'winter only' plain black ankle boots under trousers. A winter notice will announce.

### *Suitable 'winter only' boots*

Meridian  
Trust

### *Not appropriate for uniform*

PE lessons can be outside even in the winter months, so it is **imperative that students bring appropriate wet weather clothing** with them for their PE lessons. We ask that this includes a separate warm waterproof jacket (ideally plain black or dark blue in nature), along with a warm crew neck sweater (again, ideally plain black or dark blue).

With a view to ensuring our uniform policy is fit for purpose and suits the needs and care of our students, Senior Leadership have reviewed uniform guidelines and would like to make the following alterations for September 2023 going forward.

These changes are made following extensive consultation with students, staff and families. Implementation of these changes will be reviewed in light of behaviour.

**Nail Varnish and hair colour / cuts is now allowed** – Fake nails (acrylic, gel or press on) are still not permitted due to safety concerns.

**Blazers/ Jackets are now Genderless** – we will ask Price and Buckland to refer to these as fitted and unfitted.

**All piercings:** Our clear guidance, that piercings need to be planned so that they do not interfere with the college curriculum, remains as it always has. Example: lessons such as PE, Food, Hair and Beauty have health and safety requirements, so having new piercings in term time will mean that they **have to be removed**. We will not accept students missing lessons due to piercings not being removed / healing in situ.

- **Two plain studs are now allowed in each ear.**

- **For Year 9 upwards only, a single nose piercing (small stud) is now allowed.**

In certain circumstances all piercings will need to be removed for safety reasons.

A **'hot weather notice'** will give students permission to not bring Blazers into College from an announced date – usual uniform rules will still apply. On rare occasions an **'extreme heat notice'** will allow students to attend school in their PE kits. The forecast will be reviewed by the Principal. A **'winter boot notice'** will also announce the seasonal start / close of our Winter boot addendum.

**Ely College's skirt option** is now 'compulsory in style' only. Trousers can still be worn. These **flat panel pleated skirts** comes in multiple lengths to assist with sizing at knee length – previously we asked for any **'traditional-style / normal school style'** but this was open to interpretation with too much variation. We have researched affordable options that are popular with students, comfortable and comes in 3 different lengths, as well as a range of sizes. These skirt styles are available to purchase from our suppliers; both P&B and Paul Day's.
