

31st October 2023

Dear Parents/Carers

East Cambs Careers & Skills Fair – 7th November 2023

Ely College, in conjunction with East Cambs District Council, are holding the East Cambs Careers & Skills Fair on Tuesday 7th November at Ely Cathedral. All Year 11 students will participate.

The event brings together schools, businesses, networking organisations, public sector partners, colleges and Universities for an exciting Careers and Skills Fair. This will allow Year 11 and Sixth Form students from local secondary schools across the district and The King's School to meet with representatives from leading businesses.

We hope the day will help to inform students' post-GCSE choices regarding education and employment. They will get the chance to meet businesses to try to expand their horizons. It's a good opportunity to learn what courses to take to become qualified or even if there are apprenticeship opportunities in that sector. We hope they will come away inspired and more focused on their future.

The event is running all through the school day and Ely College students will visit between 1.45pm and 2.45pm. Students will be walking to Ely Cathedral from the college, accompanied by staff. All students are expected to return to the college after the event.

Please be aware that the media will be in attendance, photos and filming will be taking place. Should you have any objection to your son/daughter being photographed or filmed please let me know as soon as possible.

Should you have any questions regarding the event, then please feel free to contact me on 01353-652875 or email: llambo-hills@elycollege.co.uk

Yours faithfully

Mrs L Lambo-Hills
Careers Co-ordinator
