

30th November 2023

Dear Parent/Carer

Etheldreda Hot Chocolate Fundraiser for Spectrum

As part of Etheldreda's fundraising for our House charity, Spectrum, we will be running a hot chocolate morning for students between Monday 11th December and Friday 15th December 2023. On specific days during this week, students from specific Houses will be able to visit the Technology Quad between 8.00-8.30am to collect their pre-purchased hot chocolate (£1.00 each).

The schedule for hot chocolates will be as follows:

- Monday 11th December – Etheldreda students
- Tuesday 12th December – Franklin students
- Wednesday 13th December – Turing students
- Thursday 14th December – Seacole students
- Friday 15th December – Scott students

As there will be no ability to take cash or card payment on the respective day, all hot chocolates will need to be pre-purchased via WisePay by 2.00pm on Friday 8th December. Please ensure that payment is made for the correct day outlined above depending on which House your son/daughter is in, as they will only be able to collect their hot-chocolate on the allocated date above.

Students will not need to bring confirmation of payment in order to collect their hot chocolate, as we will hold a register with all pre-purchased drinks.

In order to ensure that all students have an opportunity to take part in this event, if your son/daughter receives free-school meals at Ely College and wishes to receive a hot chocolate on their allocated day, please can they visit Etheldreda House Office before Friday 8th December and register their interest with Mrs Butcher (Etheldreda House SSA).

The deadline for all hot chocolates to be pre-purchased on WisePay will be Friday 8th December, 2.00pm.

Yours faithfully

Mr J Newsome
Senior Tutor for Etheldreda
