

26<sup>th</sup> March 2024

Dear Parent/Carer

## Year 11 Science

I am writing to inform you about the Yr 11 science revision sessions that will be held at Ely College after the Easter break.

The Session 6 revision will be open to any Yr 11 student who wishes to attend and make use of this guided revision. There will be two sessions running on a Wednesday each week to enable us to tailor the content to those sitting the higher or foundation papers.

- Higher paper session, in Sc11, Wednesday 3:10 – 3:45pm
- Foundation paper session, in Sc12, Wednesday 3:10 – 3:45pm

Should your son/daughter only wish to attend the sessions for a certain science specialism, the following rota will be useful for them:

Date	Subject
Wednesday 17 <sup>th</sup> April	Biology
Wednesday 24 <sup>th</sup> April	Chemistry
Wednesday 1 <sup>st</sup> May	Physics
Wednesday 8 <sup>th</sup> May	Biology
Wednesday 15 <sup>th</sup> May	Chemistry
Wednesday 22 <sup>nd</sup> May	Physics

Our department will be maintaining the same high expectations for these sessions that we have in lessons. Students will not be able to attend if they are late and will be asked to leave if their behaviour is preventing them, and others, from making the most of the session.

We thank you for your support with this and hope to see your son/daughter at the sessions following the break.

Yours faithfully

Charlotte Hindley  
Curriculum Leader of Science
