

23rd April 2024

Dear Parent/Carer

Social Media

Social media, whilst having many positive benefits, can be challenging for young people to navigate and manage. In college we spend a lot of time and resources in supporting students to manage social media and be aware of potential dangers through PSHE lessons, assemblies, sign-posting and other means.

We thought it useful to re-share information published on our website:

<https://www.elycollege.com/parentlinksandadvice> Please do take a moment to refresh yourself with this guidance around social media and how to control its use.

I also wanted to be clear that, as a school, we are not able to manage, sanction or police social media interactions between students that occur outside of school hours and without links to school activities. It goes without saying that where incidents are linked to college, we will take appropriate action in line with our Behaviour Policy.

Thank you for your continued support.

Yours faithfully

Jason Coe

Assistant Principal
