

2nd May 2024

Dear Parent/Carer

Year 11 – Masterclasses

Please find attached the final schedule for the Year 11 Masterclasses starting next week.

The masterclasses are being run before as many of the exams this summer as possible, and will focus on last minute tips, advice and strategies for success in the different papers. Any sessions during the school day are compulsory and students must attend the masterclass rather than their timetabled lesson where they will be registered. Non-attendance will be treated as truancy and sanctioned in the usual way. Where there is no masterclass in a subject your child is taking, they should continue to attend their lessons around their exams as normal.

Please go through the schedule with your child to ensure they know which masterclasses they need to attend. Any masterclasses run after-school, online, or after 7th June are optional but highly recommended in preparing them fully for the exams. All masterclasses have been scheduled at a time that ensures all students taking the subject can attend.

Should you, or your child, have any questions regarding the masterclasses then please contact: srasmussen@elycollege.co.uk

Yours faithfully

Samantha Rasmussen
Vice Principal
