

6th June 2024

Dear Parent/Carer and Student

Year 10 Mocks: 21st – 27th June 2024

Please find below the Year 10 Mock Exam timetable. Curriculum Leaders and teachers will support students by indicating topics suitable as a focus of revision activities. As a starting point, students should expect papers to draw on any material covered in the GCSE or Level 2 course up to the point of the exam.

Mock Exams will take place in the following subjects, according to the timetable below. Please could I ask that you take a moment to discuss the timetable with your child.

Core Subjects

English Language
English Literature

Biology
Chemistry

Computer Science

Following this letter, Year 10 students will attend a special assembly next Friday where the mock examination process will be explained to them in more detail. In order to avoid exam clashes in this round of mock exams, students will take the exam in the session which corresponds to the option block in which they study the subject; e.g. a student studying Spanish in Option Block A will take their exam in the Option A session on Friday afternoon, whereas a student studying Spanish in Option Block C will take the exam on Monday afternoon.

Each student will also shortly be issued with a personalised exam timetable which will indicate the timing of their specific exams in each option subject. In case of any queries, please contact your child's House office in the first instance.

Yours faithfully

Adam Steels
