

3rd September 2024

Dear Parent/Carer

We are excited to be welcoming your child to Ely College tomorrow morning. Children should arrive at main reception, in their Ely College uniform, for 8.30am with their PE kit in a bag. They will be met by a House representative and taken to their form group. From Thursday 5th September the children should use the pedestrian entrances by Downham Road layby or The Lantern School.

To support your child's transition to college they will have an extended form time in the morning, where they will spend time establishing positive working relationship with their form tutor and fellow tutees. For the first two weeks of term Year 7 children will be given very minimal homework and additional social time whilst they adjust to college routines.

On Tuesday 17th September 2024 you will be invited into college (4pm – 6pm) to meet your child's form tutor and discuss how they have initially settled (more details will follow). Should you have any questions about college life between now and then, please email your child's House office.

Yours faithfully

Sarah Goodey
Vice Principal
