

27<sup>th</sup> September 2024

Dear Parent/Carer

### Yr 7 - PowerHouse Games

On Thursday 10<sup>th</sup> October, our Year 12 students on the Sport and Physical Activity course, are required to lead a sport event for a group of participants. This will be used as part of their assessment for the course through the demonstration of skills and qualities when planning and leading.

The event will be supported by John Willis from Power2Inspire who will be in school supervising the event along with myself and another member of the PE department. John Willis is the CEO and founder of Power2Inspire with the vision to promote and encourage inclusion through sport.

The students will be completing training prior to the event to ensure that the quality of the event is inclusive and engaging for all participants involved. The event has been named as the PowerHouse Games and will comprise of students participating in 6 activities across periods 1-3.

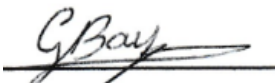

I am writing to inform you that your child has been selected to participate in this event, along with other students that are part of our Year 7 cohort, as a unique opportunity to develop their fundamental skills.

Your child will need to come to school in their PE kit and have their school uniform with them. They will be required to go straight to the sports hall after form time for this event.

You can find more information related to previous PowerHouse Games that have been run by the charity on their website by following the link below. This will give you an idea of what will be included. <https://www.power2inspire.org.uk/powerhousegames/>

If you have any questions or concerns regarding this event, then please do not hesitate to contact me: [GBays@elycollege.co.uk](mailto:GBays@elycollege.co.uk)

Yours faithfully

Gemma Bays
