Dear Parent/Carer

Franklin House Office

You may have heard our Franklin House SSA, Mrs Price, is currently absent and recovering at home from a recent injury. We would like to reassure you that during this period of absence we will endeavour to have the House Office open to students throughout the day should they have any issues/concerns. On the rare occasion we have to close it, your child can seek support at one of the other four House Offices.

Please also continue to share with us, via email, any news about your child:
FranklinHouse@elycollege.co.uk We enjoy hearing this news!

Yours faithfully

Sarah Goodey
Vice Principal
