

31st January 2025

Dear Parent/Carer

Ely College Apprenticeship Fair - 14th February 2025

We are delighted to announce the Ely College Apprenticeship Fair, taking place on 14th February 2025, which is open to Year 9 and 10 students, plus selected Year 11s and Bishop Laney Sixth Form students. At the end of the school day, this event will open to the public and other local schools from 3.00pm to 4.00pm.

Ely College and Bishop Laney students do not need to book, but all external visitors will need to book via QR Code – please see poster below with further details.

We aim to give our students the best opportunities so they can plan their future career path - what better way than to start with meeting local employers and local industry leaders to see what they have to offer. Why not match their skills and passion with possible future jobs. Businesses on the day include: Ashton Legal LLP, Enhance Dental Centre, Cambridge Regional College, Anglia Ruskin University, G's Fresh, Ely Funeral Service, PST – Michell Instruments, Omar Group, Inside Out Bushcraft, College of West Anglia, Cambridge County Council, Old Tiger Stables, Octavius Ltd. We aim to introduce a broad range of industries and interests.

The Apprenticeship Fair is running alongside National Apprenticeship Week: 10th to 16th February 2025 and we hope to highlight the amazing opportunities to be had in and around our local community. We want students to start thinking about the viable career options open to them. It's also an opportunity to network, meet potential employers, and other likeminded professionals.

Hope to see you soon.

Yours faithfully

Lisa Lambo-Hills
