

3<sup>rd</sup> February 2025

Dear Parent/Carer

### Year 8 Science Fair

The Science department is pleased to announce the 2025 Key Stage 3 Science Fair is returning this year on 24<sup>th</sup> March. All Year 8 students will have been working hard on their projects in lessons and will be presenting them, with potential demonstrations on the following date/time:

- 24<sup>th</sup> March: 12.35pm - 1.05pm

If you are able to attend, and so we have an idea of numbers, could you please complete the following very short form: <https://forms.office.com/e/jeh5A3ihqm>

On the day, please enter through main reception so you can be signed in. Unfortunately, we are not able to allow photographs to be taken on the day, but there will be photos taken by the school which will then be shared on social media.

Your child will be told which room they will be based in and more information about the day will follow, but please feel free to contact us with any questions/queries: [iwilson@elycollege.co.uk](mailto:iwilson@elycollege.co.uk) or [ljinkerson@elycollege.co.uk](mailto:ljinkerson@elycollege.co.uk)

We look forward to seeing you soon.

Yours faithfully

*I. Wilson*
