

17th March 2025

Dear Parent/Carer

Thank you very much for the incredible response to the Science Fair happening next week. We are all very excited to welcome you into college so you can see the hard work that has gone into the students' brilliant projects.

If you would like to attend and have not yet been able to complete this short form, could you please do so:

<https://forms.office.com/e/jeh5A3ihqm>

A reminder of the time available to visit - 24th March between 12:35-13:05. We also wanted to give some additional information which will be helpful for the day:

- 1) There is very limited parking available in the main school carpark.
- 2) All visitors need to go through the double gates by reception where somebody will be waiting to take you to the Science department.
- 3) Please follow the arrows which will show the route taken. Due to the numbers of students/visitors there will be a one-way system.
- 4) For safety reasons, please do not touch any of the experiments or equipment.
- 5) Please do not eat or drink in the classrooms.
- 6) If you're bringing young children, please make sure they're supervised at all times.
- 7) Please do not take any photographs. Photos will be taken by our photographer and made available for you to see on social media.
- 8) Toilets are in reception, there is also a disabled toilet in the corridor but please do not use the student toilets.

If you are unsure of anything on the day, please ask any member of staff who will be more than happy to help or point you in the right direction!

Classrooms to be used on the day:

8e1 – SC03

8e2 – SC15

8e3 – SC11

8n1 – SC05

8n2 – SC12

8n3 – SC04
