

31st March 2025

Dear Parent/Carer

Ely College Spring Music Concert – Thursday 8th May 2025

I am delighted to announce that Ely College will be presenting our Spring Music Concert on Thursday 8th May 2025, in Needham's Hall. The theme for the evening's music will be 'love' and will consist of a range of music from across the ages, prepared by our music ensembles and soloists. Once again, our students have worked exceptionally hard to rehearse their acts and I have really appreciated their enthusiasm, we are excited to share this event with you.

This event will start at 7.00pm, however, doors will open from 6.30pm to purchase refreshments. Students participating in the evening performance are expected to arrive by 6.15pm and report directly to the Music Department. There will be a short interval during the evening performance. I anticipate that the performance will end at approximately 9.00pm.

Purchasing tickets through WisePay

Tickets for the 'Ely College Spring Music Concert' will be available to be purchased through WisePay from 1st April. There are no physical tickets for the event, but you will need to register your arrival upon entry to Needhams Hall. Tickets are priced as follows:

- £5 per adult ticket, £3 for child ticket

Seating at this event will be unallocated. As we anticipate selling out this event, there will be no tickets available on the door to purchase. All ticket sales (and income from refreshments) will go towards the Music Department to purchase new musical equipment for our students to use, as well as helping to subsidise trips and experiences.

Refreshments – Card + Cash

Non-alcoholic drinks and snacks will be available on the evening of the performance inside Needham's Hall from 6.30pm and again at the interval of the performance. Programmes will be provided for free for each guest.

Thank you for taking the time to read this letter, and I hope that you will be able to join us for our 'Ely College Spring Concert' this year.

Yours faithfully

Miss K Arnold
Subject Lead for Music
