

27<sup>th</sup> June 2025

Dear Parents/Carers

I am writing to share transition information with you. We know the move to secondary school can often be accompanied by worry and enthusiasm for both parents and children. We run a full transition programme to ensure you, and your child have the necessary information and support. Please see below for summary of the events we are holding at the beginning of next academic year. These events are aimed at current year five families:

**‘Getting to know Ely College’ Presentation by Mr Warburton**

**Tuesday 23<sup>rd</sup> September 2025 and Thursday 25<sup>th</sup> September 2025 5.30pm – 6.30pm**

This event provides lots of information about our tailored induction process, explains how to apply to secondary school for a Year 7 place, and what Ely College can offer your child. This event is aimed at adults in the family, and it will be offered on two evenings. You may select the evening that works best for you. It is important to say that whilst children are welcome to attend, the content and themes are more aimed at parents. The events will take place here at Ely College in our main A Block Hall. Limited car parking is available, so we encourage families to walk or cycle if possible.
