

10<sup>th</sup> July 2025

Dear Parent/Carer

## Sports Day

As many of you will know, our annual Whole School Sports Day is taking place next week on **Thursday 17th July**. We are incredibly excited about what promises to be a fantastic day of fun, teamwork, and friendly competition. Our five houses will once again go head-to-head in a range of events, all aiming to be crowned this year's Sports Day Champions. Let the games begin!

Students will be involved in a full day of both sports-based and alternative activities, meaning they will not attend their usual lessons and should arrive at school in their PE kit.

As we look ahead, we're hopeful for good weather. In addition to wearing their PE kit, we kindly ask that all students bring the following items to stay safe and comfortable in the sun:

- A sun hat
- Sun cream
- Plenty of water
- Sunglasses
- Any other personal items they may need in warm weather

In the unlikely event of cooler or wetter conditions, students should bring extra layers. If the weather makes it unsafe to go ahead, the event may be cancelled.

Students may also wish to bring extra food or snacks to keep their energy levels up throughout the day. As an added treat, the PFTA will be selling ice pops during break times in Benji's Bistro. These will be 30p each or two for 50p – cash only. If your child would like to buy one, please ensure they bring a few coins with them.

We'll be keeping a close eye on the weather in the run-up to the day. If high temperatures or severe storms mean the event cannot go ahead, we will notify all parents/carers and students via MCAS and our social media channels, so please stay tuned for updates.

Yours faithfully

Pauline Sansom-Roberts  
Curriculum Lead PE
