

9th January 2026

Dear Parent / Carer,

Year 11 Parents Evening Tuesday 20th January 2026

We hope you and your families are well after the Christmas break.

We would like to invite you to make an appointment with your child's subject teachers on Tuesday 20th January. Consultations will take place remotely between 3.30 pm and 8.00pm.

This is an opportunity for you to meet with each of your child's subject teachers to discuss your child's progress in each subject and identify what needs to be done to better support them at this crucial time in order for them to achieve the very best grades across all subjects. It would be also an opportunity to praise and celebrate the effort and positive work that so many of our Year 11's do.

All consultations will run via video conferencing. Our virtual parents evening system will only allow you to communicate with your child's subject teachers during your allocated time slots. Please ensure you login for your consultations in a timely manner and be aware that there will be times during this event when your child's subject teachers may not be available.

Appointments can be made in advance from 6.00 pm on Tuesday 13th January, to 3.00 pm on Monday 19th January.

Please visit <https://elycollege.parentseveningsystem.co.uk> to book your appointments and log in with the following information:

Student's first name, student's surname, and date of birth (as per the college's records)

Please be aware that you will need to use the same log-in details to take part in the event on Tuesday 20th January.

If you do not have access to the Internet or encounter any other difficulties, do email your child's House Office where the Student Support Assistant will be happy to add appointments for you.

For a smoother and successful parents evening, I would very much appreciate it if you could watch the video on how to attend appointments via video call by clicking on the link below:
