

5th January 2026

Dear Parent/Carer,

Year 9 Parents Evening

We would like to invite you to make an appointment with your child's subject teachers on Tuesday 24th February. Consultations will take place remotely between 3.30 pm and 8.00pm.

This is an opportunity for you to meet with each of your child's subject teachers, to discuss your child's progress in each subject and identify what needs to be done to better support your child at this crucial time in order for them to achieve the very best grades across all subjects.

It is also an opportunity to praise and celebrate the effort and positive work that so many of our Year 9's do.

All consultations will run via video conferencing. Our virtual parents evening system will only allow you to communicate with your child's subject teachers during your allocated time slots. Please ensure you login for your consultations in a timely manner. Be aware that there will be times during this event when your child's subject teachers may not be available.

Appointments can be made from 6.00 pm on Thursday 12th February, to 3.00 pm on Monday 23rd February

Please visit <https://www.schoolcloud.co.uk/SchoolCloud-Ely-College-Bishop-Laney-Sixth-Form> to book your appointments.

Log in with the following information:

Student's first name, student's surname, and date of birth (as per the college's records)

Please be aware that you will need to use the same log-in details to take part in the event on Tuesday 24th February.

If you do not have access to the Internet or encounter any other difficulties, please email your child's House office where the Student Support Assistant will be happy to add appointments for you.

For a smoother and successful parents' evening, I would very much appreciate it if you could watch the video on how to attend appointments via video call by clicking on the link below:

[Video: Parents - How to attend appointments over video call - SchoolCloud Parents' Meetings](#)

Yours faithfully,

Miss G Chinnery
Assistant Principal
