

23rd March 2026

Dear Parent/Carer,

Ely College Spring Music Concert – Thursday 30th April 2026

I am delighted to announce that Ely College will be presenting our Spring Music Concert on Thursday 30th April 2026 in Needham's Hall at the college.

The theme for the evening's music will be 'Carnival of the Animals' and will consist of a range of music from across the ages prepared by our music ensembles and soloists. Once again, our students have worked exceptionally hard to rehearse their acts and I have really appreciated their enthusiasm. We are very excited to share this event with you.

Students participating in the evening performance are expected to arrive by 6.15pm and report directly to the Music Department.

This event will start at 7pm with doors opening from 6.30pm to purchase refreshments. There will be a short interval during the evening performance.

I anticipate that the performance will end at approximately 9pm and students who do not have a parent or carer in the audience will need to be collected at this time.

Purchasing tickets through WisePay

Tickets for the 'Ely College Spring Music Concert' are available to be purchased through MCAS. There are no physical tickets for the event but you will need to register your arrival upon entry to Needhams Hall.

Tickets are priced as follows:

£5 per adult ticket

£3 for a child ticket

Seating at this event will be unallocated. As we anticipate selling out this event, there will be no tickets available on the door to purchase. All ticket and refreshment sales will go towards the Music Department to purchase new musical equipment for our students to use as well as helping to subsidise trips and experiences.

Refreshments

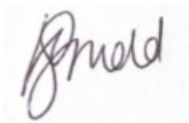

We can take card or cash for non-alcoholic refreshments (tea, coffee, hot chocolate and squash) and snacks will be available on the evening of the performance inside Needham's Hall from 6.30pm and again at the interval of the performance.

Programmes will be provided for free for each guest.

If you would like to volunteer at the event, we would be incredibly grateful. Please email karnold@elycollege.co.uk

Thank you for taking the time to read this letter, and I hope that you will be able to join us for our Ely College Spring Concert this year.

Yours faithfully,

Miss K. Arnold
Subject Lead for Music
